Regional Library Topic For Recent Meeting Here

The operation of regional libraries was discussed at some length last Wednesday evening at a meeting of E. T. Wiltshire, Provincial Library Supervisor and members of the Drayton Valley Library Board and Town Council.

The organization of a regional library to serve a large part of the western Alberta area has been under consideration for some time by the School Committee of the County of Parkland and exploratory meetings held with neighbor-

ing municipal units. School Committee member, Jack Tyler of Drayton Valley introduced Mr. Wiltshire and Assistant School Superintendent W. G. Wilson.

Mr. Wiltshire explained the function of the regional organization which is intended to give the best possible service throughout sparsely populated areas.

He noted that regional libraries are now in operation in all provinces although Alberta has only one, based on the town of Lacombe. The regional concept became available in 1948 by an Act of the Legislature.

By pooling resources and grants several municipal units working together can supply a greater variety of books to many people, Mr. Wiltshire said. Community libraries throughout the area also gain the assistance of professional

Public Forum on Friday Evening; Vote Wednesday

Drayton Valley voters will go to the polls next Wednesday, October 14th, to name a mayor, four councillors and one trustee on the Separate School Board.

To give voters the opportunity of meeting the candidates, a political forum will be held in the Legion Hall on Friday, October 9th.

Candidates will have the opportunity of speaking during the evening that will also feature a question and answer period. The meeting will start at 8:30 p.m. Two candidates, Mr. Tom Johnson and Mr. Lloyd Maclean are contesting the mayor's office. Six candidates are in the running for three council vacancies.

Seeking council seats are Claude Albert, Allan Malloy, Bob Mayhew, Denis Meier, Emile Stables and Mrs. Betty Waugh.

Emile Lambert, Hans Lerner-meyer and Raymond Manning are contesting the single vacancy on the R.C. School Board. On nomination day, W. G. Johanneson was elected by acclamation to the board of the Drayton Valley Hospital District.

Voting will take place in the Council Chambers of the Town Hall between 10:00 a.m. and 8:00 p.m. on Wednesday, Oct-

ober 14th.

Eligible voters are Canadian Citizens who have reached the age of 19 years and have resided in the community for at least 12 months. No property qualifications are required but non-resident property owners are also eligible to vote if their name appears on the current tax roll.

This is the last time that civic elections will be held on an annual basis with just a part of civic government to be replaced or re-elected. Starting in 1971, elections will come once every three years with all offices open to challenge.

Drayton Valley Returning Officer is Mr. W. G. Johanneson.

Keep Fit Classes Meeting Subject

A general meeting is planned on Thursday, October 8th to discuss a program of ladies' keep-fit classes for the coming winter months.

The meeting will be held at 7:30 p.m. in the Civic Defence Room in the basement of the Town Hall, and all interested are asked to attend.

Interested ladies' may also phone Linda McMorris at the Recreation Office, 542-3440, between 9:00 a.m. and 5:00 p.m.

CURLERS MEET TONIGHT

All curlers are reminded of the general meeting of the Drayton Valley Curling Club to be held tonight (Wednesday, October 7th) at 8:30 p.m. at the curling rink.

Trucking Firm Changes Hands

Announcement was made this week of the sale of Big Bend Express by Mr. Steve Peterson to Mr. Alvin Reich of Drayton Valley and Mr. Peter Korzenoski of Edmonton.

The change in ownership became effective October 1st. The new owners, operating under the name Big Bend Express (1970) Ltd., will operate on a regular schedule between Drayton Valley and Edmonton and will continue to serve communities west of Calgary or Highways 39 and 57.

Firemen Spend Busy Two Days

Members of the Drayton Valley Fire Department spent several busy days last week when a combination of hot, dry weather and high winds caused an outbreak of brush fires.

The hectic two days started last Wednesday morning with a fire that caused considerable damage to the kitchen and bathroom of the A.Barker home. During the afternoon firemen were called out again to fight a brush fire between the nuisance grounds and the town's northern limit.

At about 9:00 p.m. they were called out to fight two fires -- a car on fire in town and another brush fire nine miles north and west of Highway 57. The truck was barely back in the hall when they were called to assist in fighting a brush fire in the Tomahawk area.

The Tomahawk crew was out on another call but the Drayton Valley truck returned home when the Entwistle truck arrived at the fire scene.

Thursday morning followed the Wednesday pattern with the truck called to help fight several brush fires burning in the area on the south side of the river.

To round out the busy two days the brigade was out again Thursday afternoon battling the stubborn blaze on the town's north side. The fire jumped the highway and was contained in the triangle of bush between Big Country Machinery and Highway 57.

The snow and sloop of Monday didn't appeal to many residents but it allowed firemen a sigh of relief.

The area surrounding costs of the service provided material for a number of questions. According to interpretation of the act, the provincial government provides a 75¢ per capita grant with municipal governments adding \$1.00 per capita more. The provincial government provides an additional \$1.00 per capita establishment grant.

Municipal libraries (such as Drayton Valley) receive a 35¢ per capita grant.

Mr. Wilson outlined progress to date in organizing a regional library to serve a wide area in West Central Alberta. The County of Parkland School Committee was instrumental in organizing the two meetings held in recent months.

The area under consideration will serve over 80,000 people in the Counties of Leduc, Parkland, Wetaskiwin, Barrhead, Lac Ste. Anne and Yellowhead School Division.

The proposed organization is known tentatively as the Yellowhead Regional Library. Location of its headquarters has not yet been determined.

Canada Savings Bonds

An investment that grows and grows

7 3/4%

average annual interest
to maturity

Canada Savings Bonds help you plan ahead—look to the future without worry. They're Canada's most popular personal investment.

Canada Savings Bonds are easy to buy for cash or on instalments, in amounts ranging from \$50 up to \$25,000.

Canada Savings Bonds are cold, hard cash—instantly. They can be redeemed any time at their full face value plus earned interest.

Canada Savings Bonds are safe—backed by all the resources of Canada. They're a very special security.

New Canada Savings Bonds yield an average of 7 3/4% a year when held to maturity.

Each \$100 Bond begins with \$6.75 interest for the first year, pays \$7.75 interest for each of the next three years, and then pays \$8.00 interest for each of the last seven years.

On top of this you can earn interest on your interest. You can make each \$100 grow to \$227.50 in just eleven years.

That's why we say, Canada Savings Bonds are good today, better tomorrow; an investment that grows and grows.

A decline in the number of fire deaths and a decline in the number of fires are noted in the Annual Report of the Alberta Fire Commissioner for 1969. The loss of life was the lowest since 1942.

The property fire loss increased to an all time high of over \$18,000,000 making a per capita loss of \$11.51.

While the population of the Province continued to rise, "Fire Commissioner Bridges reports, "with an accompanying increase in the (common) fire hazards associated with human error and carelessness, the number of fires decreased the second year in succession". Of the 24 lives lost, 14 were men, eight were women and two were children. The two major causes of loss of life were careless smoking and careless handling of flammable liquids and gases.

The number of prosecutions for fire crimes increased to 25 due to a more intensive program of investigation of suspicious fires. The Fire Investigation Section of this office investigated 351 fires of which 188 were found to be of incendiary origin.

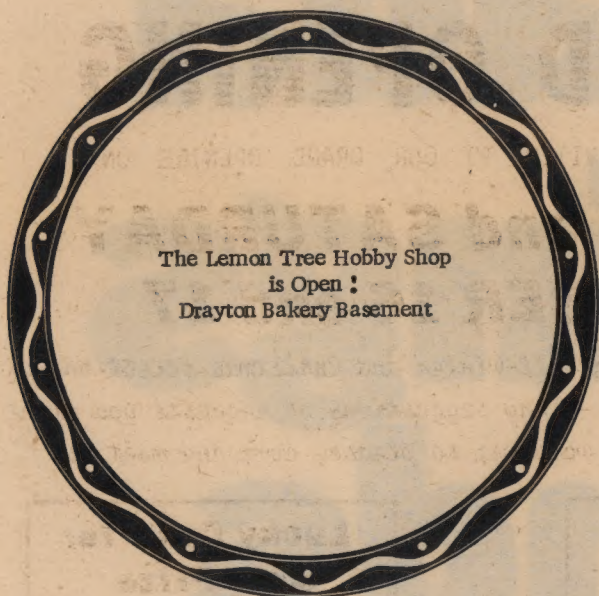

Continuing efforts are being made by the office of the Fire Commissioner and the fire departments of this province to reduce the loss of life and property from fire. Last year the plan examinations and the building inspections increased 5% and 16% respectively and the fire departments of the province improved their efforts proportionately.

Editorial Comment

Every Vote Important

It's probably impossible to put too much emphasis on the importance of getting out to vote in next week's election. Hopefully, a heavy turnout of voters, will place candidates in office with the assurance that their actions will be followed by an interested, community-conscious electorate.

Don't throw away your important right to vote. Make sure you get to the poll in the Town Hall on Wednesday, October 14th.

Dam Problem Can be Solved

In attempting to justify the B.C. position in regard to the W.A. Bennett Dam at Hudson Hope that is credited with creating problems downstream in Alberta, Cabinet Minister Phil Gaglar-di stated Sunday that reduced snowfall last winter was responsible for lower water levels in all B.C. streams and the smaller flow into Alberta.

The dam, he said, would be several years in filling to capacity, then it is expected a controlled flow would maintain downstream levels. What happens if we have several years of reduced snowfall? Will B.C. allow the Peace River to dry further and compound the ecological problems of the north?

Isn't it reasonable to suggest that B.C. take longer to fill the dam by releasing a greater quantity of water to maintain the Peace and the Athabasca delta where lack of water is creating a grave problem for native people and seriously affecting wildlife resources?

Teach Fire Safety

It's disheartening to hear or read about a child being burned or killed by fire. Many lives could be spared if parents discussed fire prevention and what to do in case of fires with members of the family.

A good time to start such a discussion would be this week -- Fire Prevention Week from October 4th to 10th.

Good safety habits are picked up just as quickly as bad ones. A step in the right direction would be to have youngsters learn to dial the fire department in case of emergency with stress on the serious implications of any nonsense.

It is also important that youngsters are made aware of fire exits in case of emergency along with the many preventive measures that parents might impress upon children. Take a few minutes to talk to your children -- it could be a few minutes very well spent, and bear in mind as winter approaches that fire dangers rise sharply as temperatures drop.

The Pyramid Game

It seems to happen every year or two, and there are always a few "fish" who get caught in the net. We refer to the old game of "pyramid selling."

The Better Business Bureau advises that the latest innovation still uses the time-worn mathematical progression scheme to enlist a sales force to peddle discount cards to the public. You can "buy in" to the deal as a lowly "distributor" for a few hundred dollars, or (promotion comes very rapidly) as an "executive" for an investment in the four-figure bracket. Everyone gets a bonus for recruiting others to the cause, who recruit others, who recruit others, ad infinitum. The road to riches lies straight ahead!

Of course, knocking on doors and twisting arms to sell merchandise smacks of hard work, so "investors" are sometimes assured that the peons at the lower levels of the plan will be assigned this task, and that the big money is made by recruiting.

If this sounds ridiculous to you, you just haven't had it presented to you at a "Golden Opportunity Meeting." These meetings have been held all over the U.S.A., but have just recently come to Canada in various forms.

We are advised that the enthusiasm engendered at some of these gatherings would equal any revival meeting ever attended. A central figure at the meeting is often the "rags to riches boy" who found financial independence by following the "plan." As with many of the the pyramid schemes, his "riches", and Those of Only the Early Participants, are often gained At The Expense of the Late-comers. An investment in a promotion where profits are based on an endless recruitment of new investors is highly speculative to say the least, and, in some jurisdictions, has been declared illegal.

The Better Business Bureau condemns such schemes as unsound business practices, and certainly not in the public interest. Before you Invest . . . Investigate!

A.G.T. PREPARES FOR CHRISTMAS RUSH

Most people haven't started thinking of Christmas yet, but AGT has already taken steps to handle the annual flood of overseas Christmas calls.

The company reports that overseas operators in Montreal and Vancouver now have improved facilities and procedures at their disposal. As a result, it is no longer necessary to book overseas

Christmas calls in advance.

For those who still prefer to book ahead, however, reservations are being taken for calls on December 24th and 25th. These bookings may be made any time after 7:00 a.m. October 5th. The customer merely dials "O" and tells the long distance operator the country to which he wishes to book a call. The long distance

operator, in turn, gives him a direct connection with an overseas operator in either Montreal or Vancouver to complete the arrangements.

In spite of the improved facilities, record numbers of overseas Christmas calls are anticipated, and AGT still encourages customers to place their calls during the preceding week.

Many of the local folks are feeling sad and rather cross as we are losing our post office which was opened in 1905. It is to be closed on September 30. Some of the patrons were adults when it opened and they have used it loyally ever since. Some moved in as newly-weds and have used it and still others were born but still used it as soon as they were old enough to write letters. We have been allowed a rural route but it is not the same as the post-office. Many feel this is progress in reverse.

Mr. and Mrs. Charles Anderson and family welcomed Miss Betty Schram of Burnaby, B. C. for a two week visit. We hope you enjoyed our wonderful fall weather, the splendid autumn hues and our fabulous sunsets.

The recent unseasonable snow has disappeared and the fields are dry again. The farmers and their families are all busy harvesting the crops and gardens. They re-

port being quite satisfied with the results.

The Dean Strangway family attended the 4-H banquet which was held at Sundance during the evening of Saturday September 26th. Marvin was presented with two trophies which he had won in an earlier event. Guests from this area were: Mr. and Mrs. Roy Strangway; Cecil and Marie June; Ralph and Larry Johnson; Danny McCracken. The evening was enjoyed by all.

The Magnolia hall was tastefully decorated with white bells accented by streamers in pink and white for the shower honoring Gladys Checktko on September 27th. Gladys very graciously thanked the ladies for the many lovely gifts that she received. A tasty lunch was served to all. The bride's cake was made by Marie June.

F.U.A. to Meet

The regular monthly meeting of the F.U.A. Local No. 519 will be held Wednesday, October 14th in the Town Hall Council Chambers at 8:00 p.m.

Awards Presented at Sundance 4-H Banquet

The Sundance 4-H Beef and Garden Clubs held a joint banquet and awards night on Saturday, September 26th in the Sundance Hall. Guest speaker was Mr. Arnold Malone, Assistant Supervisor of 4-H Clubs. The Co-chairmen for the evening were Dorcas Hiltz of the Garden Club and Judy Richter of the Beef Club.

After a very enjoyable supper, the head table and trophy donors were introduced. Reports were then given by: Terry Bentley on 4-H Selections, Conservation Camp, and Junior Leadership Camp; Nina Yakimovich on Club Week; Dorcas Hiltz on Junior Leadership Camp; Sonya Onyschuk on the Garden Club Year; Judy Richter on Youth Seminar; Randy Rosin on Club Week; Heather Ferrier on the Beef Club Year.

MEET THE 1971 CARS FROM CHRYSLER at your Dodge and Plymouth dealer's today!

1970—it's been great! Chrysler's share of new car sales highest in 14 years! To top it off, exciting new cars for 1971. All quality-engineered for value. You be the judge. Check their styling. Try the comfort. Drive them. That's how we want you to meet our new 1971 cars.

For 1971, the cars from Chrysler have more to offer: more of the styling you like, more of the performance you prefer, more of the dependability and value you want. When you've seen these new cars in person, you'll agree: *it's '71 and Chrysler steps up the action!*

Building on success.

1970 was one of the best years in Chrysler's history. Chrysler's share of domestic new car sales rose to a 14 year high! For the sixth straight year, more people in Canada bought Chryslers than any other luxury car. Plymouth Valiant was the best-selling compact car in Canada. And the combined sales of Valiant and Dodge Dart accounted for over 40% of all Canadian compact car sales!

Competing where it shows.

Chrysler has a long-standing reputation for engineering excellence and we're not afraid to put it on the line:

the starting line. Dodge and Plymouth are both active in open competition in NASCAR-sanctioned racing. From the amount of silverware the Dodge Daytona and the Plymouth Superbird have collected, Chrysler engineering is still top-dog.

On drag-strips throughout North America, Chrysler-built cars and Chrysler-powered cars are also consistent winners.

Chrysler Engineering

Over the years, Chrysler's Extra Care in Engineering has developed some major automotive firsts, like unibody construction, Slant-Six engines, torsion bar suspension and Seven-Stage rustproofing. Last year we added Torsion-Quiet ride.

Now, all Chrysler-built full-size and luxury cars, including station wagons, have the extra smoothness and silence of a Torsion-Quiet ride. You have to drive one to appreciate the noticeable difference.

Another development this year: regular fuel engines. Almost all of Chrysler's '71 engines have been modified to use regular grade gasoline—and that includes the large displacement V8's too.

This year, Chrysler engineering has also added a part-throttle kick-down feature for V8's as well as Six's with TorqueFlite transmission. It gives you extra acceleration in city driving by downshifting from drive to 2nd when the accelerator is partially depressed.

What's the action for '71?

There's plenty of it. Exciting things have happened to all our car lines, especially to 1971 Dodge Charger/Coronet & Plymouth Satellite models. For them, there's a brand-new design concept that gives more individuality to sedan and hardtop styling. But you'll catch the excitement yourself, the moment you step into a Dodge or Plymouth dealer's showroom.

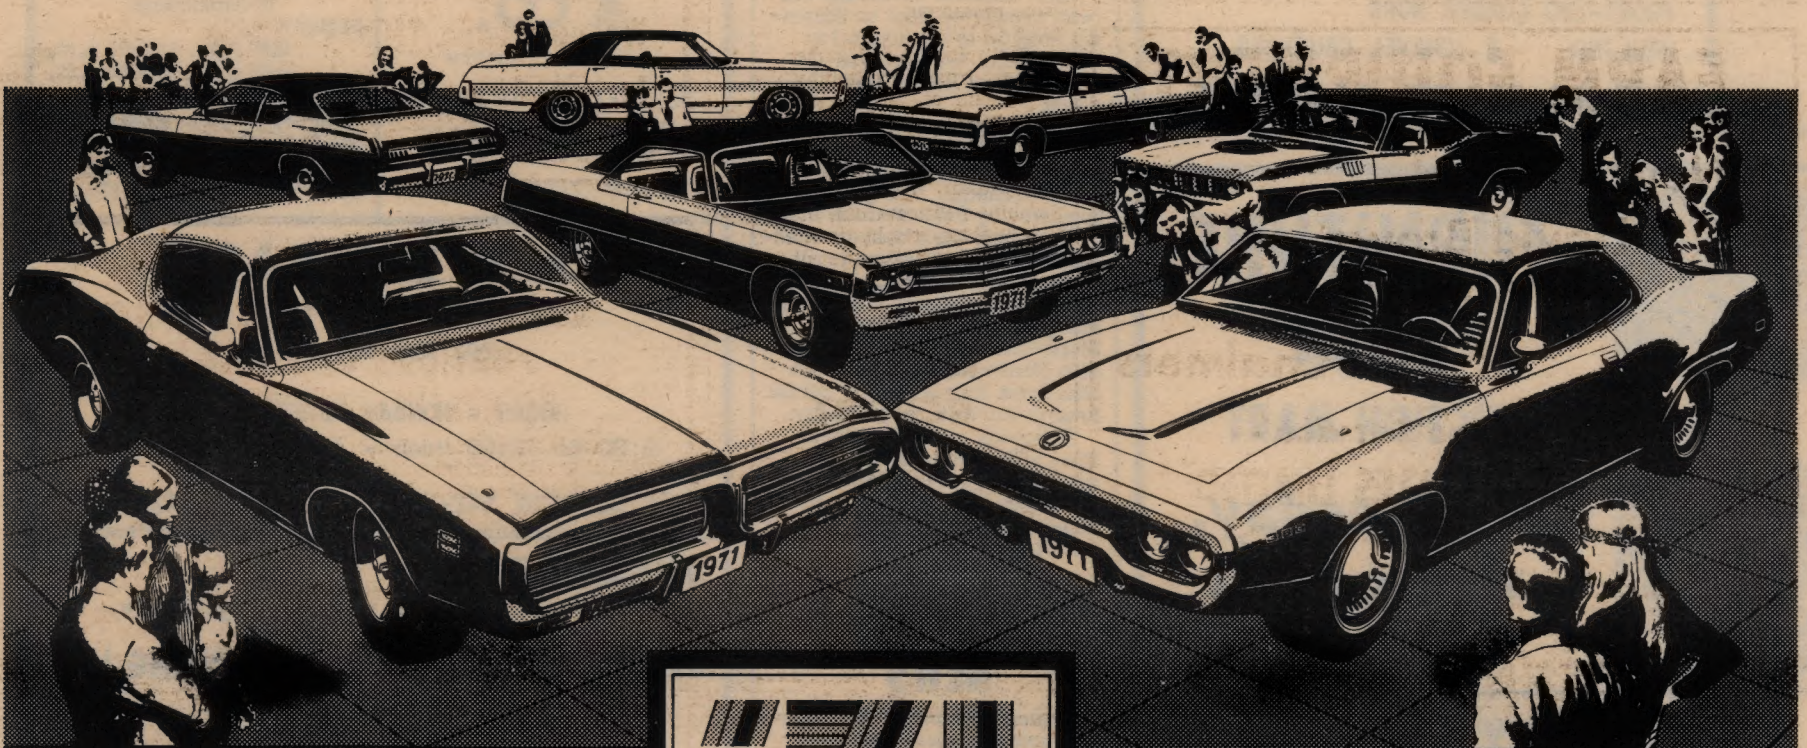

Now, please accept our invitation. Take a trip down to your local Dodge or Plymouth dealer's today. Take a good, long look at the 1971 models. Luxury cars, full-size cars, mid-size cars, compacts and sports cars.

Ask lots of questions. Take a test drive or two. That's what dealerships are for, to let you meet our products face to face. When you do, you'll agree that the 1971 cars from Chrysler have more to offer... more of the value you're looking for.

WABAMUN NEWS

Happy birthday Tom. Mr. Tom Ward is celebrating his birthday today. This wish is late, but the wishes are still the same. Belated birthday wishes also go out to Gail Goulet who had her 11th birthday on September 4th.

Sorry Gail that I did not hear of this sooner. Mrs. Latchford is in the hospital. Hope you will soon be able to come home again and be feeling much better. Linda Stecyk and Colleen

Goulet have both been in the hospital but are home again now. Registering of the pre-schoolers took place recently with Mrs. T. Kerr and Mrs. P. Kostyniuk in charge. So they will be busy with the little ones beginning October 5th.

Mr. and Mrs. James Tourangeau Jr. are the proud parents of a fine baby boy. He weighed 7 pounds and his name is Grant James.

Mrs. Avery, her mother Mrs. Brown and her daughter Connie of Genesee were visitors of Miss Hilda Margerison last Sunday.

Mr. and Mrs. Frank Anderson have returned home from a motor trip to Nordegg, Drumheller, Brooks and district. They certainly enjoyed their trip as everything is so pretty at this time of the year.

Mrs. Christine Cummings has been transferred from an Edmonton hospital to the hospital in Stony Plain. We hope you are getting along nicely Mrs. Cummings.

The Wabamun Lake Jolly Girls Club has been reorganized with Mrs. Wm. Sparrow and Mrs. W. Kosik in charge. This group is sponsored by the Wabamun W.I.

They held their business meeting last Monday evening to elect the new officers, which are as follows: - President, Miss Gwen Brusnyk, Vice-President Miss Marie Zur, Secretary-Treasurer Miss Norma Rondiak, Directors Miss Susan Harrison, Miss Denise Brusnyk and Miss Joslyn Denton.

Thirty-six members joined. They will hold their business meetings on the first Monday of the month and workshop every Monday night throughout the rest of the month.

BURTONSVILLE NEWS

Former residents of this area, Mr. and Mrs. Carl Bomeman, were recent visitors at the Rabe home. The Bomemans have sold their farm, and are moving to the town of Stony Plain.

Rev. John Kennedy attended a Temperance meeting held at Juniper Lodge, and then travelled on the Ellerslie for a District Meeting held at the Ellerslie Free Methodist Church.

A bridal shower was held for Theresa Miller at the home of Bellamae Teague.

Two whooping cranes were seen last week, a rare sight in these parts.

Mel and Rene Homme of Red Deer visited relatives in this area on September 28th.

Visitors at Cecil Homme's on Sunday were Millie Charlet, Jackie Henkel and daughters Brenda and Pam, Louise Domonte E. Homme, Eleanor Osbak, Theresa and Jim Miller, Mary and David Tattersall.

KEEPPHILLS NEWS

A large crowd attended a bridal shower at the Keepphills Hall on Sunday afternoon for Debbie Cole who will be married on October 10th to Terry Lauder. Both were born and raised in this district.

Betty Strassburger is working at the Hotel Cafe in Stony Plain.

Mrs. Dalton's brother Jerome and his wife, Mr. and Mrs. Durand, were recent visitors with Ray and Alma Dalton.

Farmers are spending long hours in the field with the combines, sometime most of the night when weather permits.

Collen and Curtis Raymond (twins) celebrated their 11th birthday on October 1st.

Considerable construction is being done on the Highvale to Sundance road.

SUB-MITS FROM THE ELEMENTARY SCHOOL

Radio station CJCA's morning
announcer, Bob Bradburn, read
an interesting article the morning
of school opening. Thanks to Mrs.
Koebernick we were able to get
this article. I believe it has a
message for all of us, not only
the teachers.

"My young son starts to school
tomorrow . . . It's all going to
be strange and new to him for
awhile, and I wish you would sort
of treat him gently.

You see, up to now, he's been
our little boy. He's been boss of
the back yard. His mother has
always been around to repair his
wounds, and I've always been
handy to soothe his feelings. But
now, things are going to be dif-
ferent.

This morning he's going to
walk down the front steps, wave
his hand, and start out on the
great adventure . . . It's an
adventure that will probably in-
clude wars and tragedy and sor-
row. To live his life in the world
he will live in, requires faith and
love and courage. So, world, I
wish you would sort of take him
by his young hand and teach him
the things he will have to know.

Teach him, but gently . . . if
you can. He will have to learn,
I know, that all men are not just,
that all men are not true. But
teach him also that for every
scoundrel there is a hero . . .
that for every selfish politician,
there is a dedicated leader . . .
Teach him that for every enemy,
there is a friend.

It will take time, world, I
know, but teach him, if you can
that a nickel earned is of far
more value than a dollar found
. . . Teach him to learn to lose

. . . and to enjoy winning. Steer
him away from envy, if you can,
and teach him the secret of quiet
laughter.

Let him learn early that the
bullies are the easiest people to
lick . . . Teach him, if you can,
the wonder of books. . . But also
give him quiet time to ponder the
eternal mystery of birds in
the sky, bees in the sun, and
flowers on a green hillside.

In school, world, teach him it
is far more honorable to fail
than to cheat . . . Teach him to
have faith in his own ideas,
even if everyone tells him they
are wrong. . . . Teach him to
be gentle with gentle people and
tough with tough people.

Try to give my son the strength
not to follow the crowd when
everyone else is getting on the
band wagon . . . Teach him to
listen to all men . . . but teach
his also to filter all he hears on
a screen of truth and take only
the good that comes through.

Teach him, if you can, how to
laugh when he is sad . . . Teach
him there is no shame in tears
. . . . Teach him there can be
glory in failure and despair in
success. Teach him to scoff at
cynics and to beware of too much
sweetness Teach him to
sell his brawn and brains to the
highest bidders but never to put
a price tag on his heart and soul.

Teach him to close his ears to
a howling mob . . . and to stand
and fight if he thinks he's right.
Teach him gently, world, but
don't coddle him, because only
the test of fire make fine steel.
Let him have the courage to be
impatient . . . let him have the
patience to be brave.

Teach him always to have sub-
lime faith in himself. Because
then he will always have sublime
faith in mankind.

This is a big order, world, but
see what you can do. He's such
a fine little fellow, my son!

BUCK LAKE NEWS

Steve and Jean Lhovy and
family of Calgary, and Larry and
Caroline Hagglund, of Edmonton,
were out to attend the wedding of
Robbie Bohning and Irene Mail-
ott. There was a good crowd in
attendance at the dance.

The fires north of here near
Ernie Mills and on Victor Mil-
ler's other land have been caus-
ing some excitement here. On
Thursday the wind was very bad,
and many Buck Lake residents
were out fire-fighting. Friday
it was calm, but they are still
smoldering, so here's hoping the
wind doesn't start up again.

Lorne Trusett has gone back to
work at his job at Melville Is-
land.

The October meeting of the
Ladies' Friendly Circle Club
will be held at the home of Anne
Belcourt on Wednesday evening
of the 14th at 8:00 o'clock. All
members please try to attend.

Kathleen Kiss was in Edmon-
ton on a business trip this week.
Also there were Mr. and Mrs.
Ernie Mills and Judy, and Mr.
and Mrs. Herman MacDonald
and Ken.

Gary Foster is at home just now
and has purchased a new 1970
Plymouth Roadrunner. He goes
back up north on Friday.

Dewey Woods, George Foster
and Alfred Kaserman were away
hunting for a few days.

Vera Brzus' parents, Mr. and
Mrs. Eastwood, of Ponoka, were
Sunday visitors there.

Barry Bohning is staying in La-
combe with his sister Pauline
Molyneaux, and is attending
high school.

I see the county put in several
new culverts in the hamlet the
other day.

A party in honor of John and
Olga Adams was held at the Rec-
reation Centre, Friday evening
September 25, by the employ-
ees of Delhi Oil Company here.
John and Olga were presented
with a crystal bowl.

The Norman Parkers attended
Jerry Watson's wedding in La-
combe and while there, visited
with Mrs. Gordon Senior and

Albert and Virginia Gordon and
family.

Mrs. K. M. Macdonald of
Glasgow, Scotland a resident of
Buck Lake sixteen years ago, re-
turned for a brief visit here to see
Dewey and Ruby Woods, and the
Coleman Kiss', as well as Pete
and Kathleen Kiss. Mrs. Mac-
donald's husband was a school
teacher at the old Buck Lake
School, and also for a short time
at the new school.

The County of Wetaskwin
cleared and levelled the land
just west of the Recreation Centre
It is intended to be a ball park.

Mrs. Ruth Cook of Alder Flats
is holding ceramic classes again
this fall and winter. Anyone in-
terested contact her. Classes are
held Tuesday and Wednesday
evenings.

Sunday visitors at the Boucks
were Glen, Sherry and Stuart
Kane of Edmonton. Stuart will be
staying with his Grandma for a

week while Mom and Dad are
moving into their new home at
Spruce Grove.

L. Patten, his brother John of
Sedgewick and Harold Steeves
were out hunting, but had no
luck.

Ronny and Johnny Krysta, Nick
Wasyk and Ron's father-in-law
Ed Kruger of Winfield, were
hunting. Johnny was lucky and
downed a bull elk.

Wes Bouck and Jim Foster are
combining on Stan Krystas this
week.

Couple Exchange Vows In Ontario Ceremony

A lovely wedding was solemnized when Marianne Kaarsemaker and John William Carew Willock were joined in holy matrimony in an afternoon candle-light ceremony in the Femdale Bible Church, Peterborough, Ontario, on Saturday, September 5, 1970. The bride is the daughter of Mr. and Mrs. Fred Kaarsemaker of Drayton Valley; the groom's parents, Mr. and Mrs. John A. Willock of Peterborough, Ontario.

Dr. J. R. Armstrong of Toronto (formerly of Edmonton) officiated, Miss Lenore Millen played the organ and Mr. Doug Gardner sang "God Bless This Day" and "It Was Heaven's Grace" during the ceremony.

The bride, given in marriage by her father looking charming in a gown of white lace and satin. Her full-length veil was edged with flowers matching the lace on the gown and held in place by a headpiece of roses and stephanotis. The bride's bouquet was made of a white orchid with white roses, stephanotis and blue velvet bows.

Attending the bride were

matron of honor, Mrs. Debbie Sheckter of Edmonton and bridesmaids Mrs. Cathy Willock of Peterborough and Miss Anne Kaarsemaker. They wore identical gowns of aquamarine trimmed with blue velvet ribbon and

carried bouquets of yellow roses, daisies and carnations.

Mr. Arthur Willock was best man and the groomsmen were Mr. Daniel Willock and Mr. Richard Gardner. Ushering the guests were Mr. Murray Sheckter and Mr. Mark Carew.

A reception was held at Rock Haven, Peterborough with Mr. Dave Adam as master of ceremonies. Toast to the bride was made by Dr. J. R. Armstrong.

For her daughter's wedding Mrs. Kaarsemaker wore a mauve silk dress with matching coat complimented by white and mauve accessories. Mrs. Willock, the groom's mother, chose a gold silk dress and brown accessories.

The bride's going-away ensemble was a red and bone 2-piece suit with bone accessories.

Following the wedding trip to Toronto and Ottawa the happy couple have made their new home in Edmonton, Alberta

Lady Curlers

Plan Meeting

A general meeting of the Drayton Valley Ladies' Curling Club will be held next Wednesday (October 14th) at 8:00 p.m. in the club room at the rink. All interested are asked to attend.

D. V. Highlights

By Mrs. Edith Deby

Born: To Mr. and Mrs. Kenneth MacKenzie - a son, Kenneth John Michael a brother for Mary Jane, Betty Anne and Dorothy.

Best wishes for a happy future go to Mr. and Mrs. Stanley Muzylowski, nee Aileen Johanneson who were married in Drayton Valley on Saturday.

A well known figure in Drayton Valley, Mr. Ralph Thatcher, of Berrymoor, passed away very suddenly last week. He will be especially missed by the staff at the library where he was a regular patron.

We take this opportunity to extend good wishes to Mr. and Mrs. Dennis Tucker on the occasion of their marriage. Mrs. Tucker is the former Miss Maxine Crory.

Mr. and Mrs. Ted Boodle, of Fort Smith, visited Mr. Boodle's brother, Mrs. Anne Look for a few days last week. Ted has transferred to the MacKenzie Forestry Division and will be moving his family to Norman Wells next year when his house has been built.

On Sunday Mrs. Edwin Erickson Sr. (Agnes) passed away in Camrose after a lengthy illness. Mrs. Erickson is the former Agnes Bray. Her family were the first settlers in this country. They came to Rocky Rapids by river boat about nineteen ten.

Mrs. Erickson is survived by two sons, Arvett and Nels Frederick, of Drayton Valley and one daughter, Lily (Mrs. Russel Wright) of Edmonton. Funeral services will be conducted from the Kingdom Hall, Drayton Valley, on Thursday, October 8, at two o'clock.

Mr. and Mrs. Calvin Bartlett left on the week end for a three week holiday in California. Part of the time will be spent in Burbank where their son, Jim, lives.

On a recent trip to B. C. we saw Mrs. Albert Wurm, the former Dolly Douglas. Dolly was most interested in hearing news of all her friends here.

We hope that Pat Grue and James Eustace will soon recover

from the injuries received in a car accident on Friday evening.

Sorry to hear that Mrs. Gordon Ingram is in hospital for surgery on her ear.

Fred Urchyshyn has retired and is building a house in Summerland. Fred has been in the lumber business at Chisholm for some years.

Five Candidates At Entwistle

Entwistle voters will go to the polls Wednesday, October 14th to fill two council vacancies. Contesting the election are Norman Sinclair, Clarence Willoughby, W. F. Davies, E. J. Starling, and Gordon MacKenzie.

The village council selects a mayor from among council members following the election.

Brief cases are those things carried by lawyers who hope that the ones they are working on won't be.

TOWN OF DRAYTON VALLEY NOTICE

PUBLIC NOTICE IS HEREBY GIVEN That the Council of the Town of Drayton Valley propose to pass a Bylaw to amend Bylaw No. 449, The Building, Development and Zoning Bylaw of the said town.

THAT Bylaw No. 516 of the Town of Drayton Valley authorize the Council of the said Town of Drayton Valley to amend Bylaw No. 449 as follows:

1. THAT ALL THAT PORTION OF THE N.E. Quarter of Section 8, Township 49, Range 7, West of the 5th Meridian in Alberta being developed as MOBILE HOME SUBDIVISIONS and tentatively designated as Blocks 101 and 102 in the Townsite of Drayton Valley be rezoned from the present "Agricultural" classification to "Residential Two" classification.

A copy of this Bylaw No. 516 and the map of the proposed area may be examined in the Town Office at all reasonable business hours.

A Public Meeting will be held in the Town Office at Drayton Valley on the 12th day of November, A.D. 1970 at 3:00 p.m. for the Council to consider any objections, recommendations or complaints pertaining to this amendment.

VOTE CLAUDE ALBERT FOR COUNCILLOR

FOR THE
TOWN OF DRAYTON VALLEY

October 5, 1970

Dear Citizens:

As candidate for the office of councillor on your town council I solicit your vote at the next election which will be held in a week.

I have been a resident of Drayton Valley and area for over ten years. I am married with two children. I am employed by a local major gas processing firm in the capacity of operations superintendent.

I am an active servant of your community. I am an ex-chartered member of the Drayton Valley Lion's Club. During my term of membership, I served as director and on several project committees such as park, rodeo, skating rink, etc. I served as trustee on a local church board, also as finance committee and council chairman. I served on the Centennial Committee and as chairman of the student exchange committee. During Centennial year, the civic arena was promoted and constructed; twenty-four of our students visited in the province of Quebec and a group of students from Nova Scotia visited our town. I served a term on a local school board as trustee and vice-chairman.

If you want progressive, experience and active representation with knowledge of your community's affairs and leadership ability, cast your vote on my behalf, next Wednesday, October 14th, 1970.

Cordially Yours,
Claude D. Albert,
Candidate

Hockey League Expanded to Include Westlock Eagles

At a pre-season North Central Intermediate Hockey League meeting in Wetaskwin last Thursday the league directors accepted an application by the Westlock Eagles to enter the N.C.A. - H.L.

The league now consists of the Wetaskwin Colonels, Camrose Maroons, Stettler Imperials, Fort Saskatchewan Huskies, Westlock Eagles and the Drayton Valley Rebels.

The entry of Westlock means a 30 game schedule instead of the former 24 games; 15 home games and 15 away.

The Drayton Valley Rebels executive and directors have had two meetings in the last month preparing for the 1970-71 hockey season. Elected as the nervous nine were: President, Les Brown; Vice-President, Howie Janzen; Secretary-Treasurer, Joe Makarowski; Publicity, Doug Barnes; and Directors Dave Boulter, Dan

Bills, Stan Kurylo, Emil La Branche and Dennis Manning. General Manager, Harold Reinhart; Equipment Manager, Frank Hazzard; Coach, Ron Hemingway; and Trainer and Equipment, Dennis Riske.

Ron Hemingway is retiring as an active player and has taken over coaching for the coming season. If Ron can instill the desire he had as a player in his team this year the prospects are bright for a winner.

The Rebels will have a few new faces in the line-up this year, such as last year's U of A Golden Bear Sam Belcourt and rumor has it that there are a few more likely looking prospects around.

Ice work outs will begin about the 20th of this month, anyone interested in trying out will be welcome.

The Rebels have lost one of their real work horses who always

gave the team 110 percent effort. Rod Colbert is being transferred to Calgary. This leaves a big gap along the blue line.

The Rebel Executive and Directors are presently assembling advertising and material for the season's program. Anyone wishing to advertise in this year's program can contact any of the Directors.

Presentations Made at Fish and Game Meeting

The Pembina Fish and Game Association resumed regular meetings Thursday following the holiday recess.

Highlight of the meeting was the presentation of crests and certificates to ten students who took the hunter training program earlier this year. Presentations were made by Fish and Wildlife officer Mr. Jim Streeter who also

offered upgrading for hunter-training instructors to allow regular courses here.

Some discussion also took place on camping facilities at the Brazeau Dam. It was decided to contact the Department of Lands and Forests and the Highways Department in an attempt to determine if anything is being considered for this area.

St. Anthony's Corner

The week of September 21st to 24th was Students Union Week at St. Anthony's. On Tuesday the 22nd, the campaign speeches were made by the students and Wednesday the 23rd was spent trying to persuade the other students to vote for them.

Finally on Thursday the 24th, the elections took place. The candidates were President, Laurel Bengston, Ben Coppens; Vice-President, Darcy Galvon, Gloria Wensley, Gary Kuefler; Editor, Debbie Palmer, Real Gascon; Social Convenor, Shirley Lockhart, Lorretta Kruger. The following were elected into office: President, Ben Coppens; Vice-President, Gary Kuefler; Editor, Real Gascon and Social Convenor, Lorretta Kruger.

Some positions were filled by acclamation: Secretary, Elaine Steirer; Treasurer, Beatrice Hrynky; Girl's Sports Representative, Joan Teeter; Boy's Sports Representative, Bert Dupperon.

All ready at St. Anthony's we have intra-murals started. We also have our volleyball teams just about picked. We are hoping to make this school term enjoyable. We hope to have a very good year here at St. Anthony's.

By Real Gascon

Duteau. This over-night camping trip was planned for community out-door living.

We had activities such as a weiner roast, a hike to Alberta Beach which is about four miles from the camp, a water balloon fight in which grade eight and nine boys fought against the students of the other cabins, but the boys were disqualified. We also had a campfire sing-along, and a dance in one of the cabins.

Next day we went to Mass a little way from the cabins. It was a very old, old church. The Priest talked all about peace in the world.

While we were at Mass, Miss McAvoy stayed behind and hid chocolate bars for a treasure hunt. Afterwards we had a football game. Everyone enjoyed it.

At 1:00 o'clock we were on our way back to Drayton Valley. We arrived at about 2:30 in the afternoon. Many thanks go to all the teachers who helped to make this so much fun for all of us and especially to Mr. Mike Kelly for planning and organizing it.

TOM JOHNSON

For Mayor

Fellow of the Canadian Institute of Realtors; member Gideons International in Canada; has served as President and Secretary of Drayton Valley and District Chamber of Commerce; member of Drayton Valley Town Council from January 1968 to September 1970. Acting Mayor January 1970 to September 1970.

KEEP DRAYTON VALLEY GROWING

Drayton Valley has enjoyed marked progress during the past year. Two new residential subdivisions have been opened, comprising 29 class "A" lots and 21 Class "B" lots. Already some 28 lots have been taken up for new and moved in residential building, leaving only 2 class "B" lots not spoken for. In addition to this, a mobile home subdivision has been approved and is now under development, with 50 lots now being serviced with water and sewer, in the first stage of development of this subdivision. There is a continuing need for more low cost housing in Drayton Valley, and to meet this need another class "B" subdivision must be created during the next few months so as to be ready for the 1971 building season. There are many people living and working in the surrounding area, who want to live in Drayton Valley, and who will locate here if housing is made available at a reasonable cost. Far-sighted thinking and planning is needed to meet this potential.

At the same time, any diversification of our industrial and economic base that can be realized, provides insurance for the future economic life of the community. We do not have any grandiose dreams of new major industrial developments here, in the foreseeable future. We do know that several small industries can be attracted to the community, if the right initiative is taken. Closely related to this, is the proposed new airport for Drayton Valley. Your present Council has optioned sufficient land around the proposed airport site, to provide ample space for the type of industrial and commercial develop-

ment that we know will be attracted if this development goes forward. I am pleased to say that I have had a considerable part in the initiative that has gone into this development to date.

It will be argued by some, that "Development Costs Money", and it will be suggested that we cannot afford this. I believe that Stagnation Costs Even More Money, and I know that we cannot afford to let our Community stagnate.

If your property values are to be maintained, the economic base of your community must be maintained and expanded. Negative, restrictive policies, if practiced at this time, must be paid for in the future with shrinking property values and a decline in community services. I believe it is much more prudent and intelligent to make wise investments in Community Development today, to preserve the values already created here.

There have been many complaints in the past, that we have not received and are not receiving sufficient attention and help from senior governments in the advancement and development of our community. I am convinced that if we take the initiative to do something for ourselves, we will attract all the attention and help that we need and deserve. With these observations and principles in mind, I ask for your vote, for the office of Mayor, on October 14, 1970.

C.W.L. Holds Regular Meet

The C.W.L. met on Monday October 5th for their regular meeting with Father Lynch and eleven members present.

The meeting was opened with the league prayer.

It was suggested that we ask the different church groups to take turns every year in heading the U.N.C.F.

New pamphlets are to be placed at the hospital.

It was decided to ask all the parish ladies to help sell tickets, funds are very much needed for various community projects - charitable deeds.

Along with a delicious lunch served by Lil Hook and Alice McGregor a tape of Mr. Roche was enjoyed by all.

The C.W.L. would like to thank all those who helped with the turkey bingo, and also everyone who came. The following is a list of winners: Gladys Von-Tettenborn, Mrs. W. Romano, Mrs. H. Rediron, Eve Walkoski, E. Hagman, Loretta Leer, T. Kutcher, Mrs. W. Robinson, Rene Anderson, G. Shamon, Mary Lauer, Velma Turtiak, Helen Schipper, Mrs. W. J. SALES CATTLE & CALVES CATTLE CALVES HOGS SHEEP

This Week (est.)	7300	4500	2800	4400	1620
Last Week	6029	3872	2157	3661	905
Same Week (1969)	7471	4903	2568	2153	1639

SUMMARY

Early week deliveries were heavy, however receipts were fairly light at the close of the week, as harvesting conditions were improved and farmers gave priority to the completion of the harvest. Replacement cattle and calves comprised almost three-quarters of the sales. Trading was only moderately active on slaughter steers, but active on heifers and cows. Butcher steers steady. Heifers fully steady. Cows a full 50 cents higher. Bulls steady. Feeder steers 1.00 lower. Stock heifers and stock cows steady. Stock steer calves 1.00 lower. Stock heifer calves steady.

SLAUGHTER CATTLE AND CALVES

There was only moderate action on slaughter steers with prices holding about steady at a prac-

tical top of 28.00. Top quality steers were scarce throughout, however one lot of strictly choice handy weights sold at 28.35 at mid-week. Overfinished and heavyweight steers were discounted. Slaughter heifers were in good demand at fully steady prices, a few lightweight selling over the quotations. Butcher cows sold strong throughout to close 50 - 75 higher at a practical top of 21.75. Bulls steady with last week. Veal and butcher calves steady.

REPLACEMENT CATTLE AND CALVES

The feeder steer trade was somewhat unsettled throughout most of the week but appeared to pick up somewhat at the close. Good heavy feeder steers sold a full 1.00 lower with the fleshy shortkeep feeders selling from 27 - 29. Lighter weight feeders (550-750) were also about 1.00 lower under closer sorting. Stock heifers and cows sold fully steady throughout. The heavier weight (480-550) stock steer calves sold a full 1.00 lower, however the lighter weights continued to sell in line with last week with sales to 46 for good 250 lb. steer calves. Stock heifer calves sold steady throughout.

SHIPMENTS
Last week's cattle shipments off the Edmonton Public Stockyards were: East - 231 slaughter, 57 feeder; West - 94 slaughter; Export - 43 slaughter. Feeders to southern Alberta areas - 757.

DENIS MEIER

FOR COUNCILLOR

Denis P. Meier, Age 22, married, homeowner. He and his wife Theresa have one son Ronald aged 3. Arrived in Drayton Valley at age of 7 in the fall of 1954. Attended public and high school in Drayton Valley and saw the town grow from a shack town and a sea of mud in 1954 to one of the finest, modern communities in the Province of Alberta. As a business man, Denis is President of Parkland Insurance Associates Ltd, and Manager of Meier's Travel Bureau. Denis has always been keenly interested in the progress and development of the town and requests your support as a young councillor with young ideas for a young and progressive town.

Denis Says: -

I feel that as a young business man, I can make a considerable contribution to decisions made in council that will effect the progress and development of our town. It is my firm conviction that a good town must be run like a good business. Poor decisions in business will result in bankruptcy. This can also happen in a town. When I ran for council last year, I was advised by many well meaning people that my defeat was mainly due to the fact that I was inexperienced. I feel that the ability to use good judgement is more important than experience. The trend in big business is to appoint young men to executive positions. Administering the affairs of a town is also big business. If the right to govern is reserved for older people only, then perhaps the right to fight for this privileged should also be reserved for them. It was young people in my age group who fought the two world wars. People in my age group are fighting for the right to have the South Vietnamese people elect a government and govern themselves. If the right to govern will be reserved for older, experienced people they should maybe also do the fighting.

I do not have any promises to make as I realize that decisions in council are a team effort by the Mayor and six Councillors. I have seen too many promises mainly at Provincial and Federal levels that could not be kept. I can, however, make one promise - You have my assurance that I will always have the courage to stand up and be counted when it comes to matters that may jeopardize the welfare of our citizens or interfere with the progress and development of our town.

NOTICE

COYOTE CONTROL AND 1080 PROGRAM

1080 compound is considered to be one of several coyote control methods and its use should be restricted. It is our belief that farmers applying for 1080 bait should be using individual effort as a proof that a problem exists.

Farmers in the western area of this County requesting 1080 baits or objecting to its use should contact the Agricultural Fieldman in writing by October 23rd, 1970.

No 1080 compound to be placed in the easterly area.

Datsun welcomes the competition

Datsuns came first, second, third and fifth in the 1970 East African Safari Rally. Nine out of nineteen cars to finish were ours. We won the Canadian Winter Rally. We won the 10,000 miles Around Australia Rally. We won our class in the last Shell 4000. We won the Canadian National Rally Championship in 1967 and 1969, and we're way out in front again this time. We've proved our car a winner time after time, year after year. Here's why.

Not just for glory

We did it to see what Datsun could do under extreme driving conditions. We wanted to test our car to its limits, under the worst possible conditions against the best possible competition. And as a result of the results, today all Datsun drivers get superb performance, ironclad durability, smooth handling and up to 35 miles to the gallon.

Here's what the competition's got to beat

96 horse overhead camshaft engine. Dual barrel carb. Alternator. Independent rear suspension. Unit-body construction. Lots of no-cost extras. Like bucket seats, front disc brakes, door-to-door carpet, and flow-through ventilation. And of course, the complete safety package including telescopic shock-absorbing steering column, headrests, harnesses, and four-way flashers is standard. The only options are a radio and 3-speed automatic transmission.

We want to be fair

Without the untiring efforts of the competition we wouldn't be where we are today. Out front. We want to thank them, because the harder they try, the harder we have to try. And that's good for everybody.

NOTICE OF EXPROPRIATION

IN THE MATTER OF PART 11 of the Expropriation Procedure Act, Chapter 30 of the Statutes of Alberta, 1961 with amendments thereto.

AND IN THE MATTER OF the NW 1/4 22-52-2-5 and NW 1/4 27-52-2-5 Reserving thereout all mines and minerals and Mike Sabadaska of Carvel, Alberta.

TAKE NOTICE that the County of Parkland No. 31 proposes to take by expropriation the lands and premises described as:-

Firstly: the most westerly forty-two (42) feet in uniform width throughout of the NW 1/4 22-52-2-5 plus an additional amount for curve and severance in the north-west corner of the said quarter section, the lands described containing 4.80 acres more or less.

Secondly: two hundred (200) feet in uniform width throughout of the NW 1/4 27-52-2-5 plus fifty (50) feet in uniform width for a distance of two hundred and thirty-two (232) feet on the north boundary of the said quarter section, the lands described containing 12.50 acres more or less.

And thereby acquire the fee simple title thereto for use by the County or the Crown in the right of the Province of Alberta as a highway or road and that the County of Parkland No. 31 is ready to pay the sum of \$1,730.00 to Mike Sabadaska for the fee simple title to the land aforesaid which is to be expropriated and the sum of \$744.00 for severance of land. In addition, the said County is ready to construct a standard three (3) strand barb wire fence along the new right-of-way boundaries and install a cattle pass under the new grade in the NW 1/4 27-52-2-5 at a location chosen by Mike Sabadaska.

AND FURTHER TAKE NOTICE that a By-Law authorizing the expropriation will be presented to the Council of the County of Parkland No. 31 on the 13th day of October, A.D. 1970, at the County Office in the Town of Stony Plain at the hour of 2:00 o'clock in the afternoon or so soon thereafter as the same may be heard for the purpose of considering and if thought fit giving approval to a By-Law for expropriation as aforesaid.

AND FURTHER TAKE NOTICE that a plan of survey of the land to be expropriated has been filed on the 27th day of August, A.D. 1970 in the office of the Secretary-Treasurer for the County of Parkland No. 31 at Stony Plain, Alberta and that the plan is available for inspection between the hours of 8:30 o'clock a.m. and 5:00 o'clock p.m., Mountain Standard Time, Monday to Friday inclusive, excluding Statutory and Town Holidays when the said office is closed.

AND FURTHER TAKE NOTICE that Mike Sabadaska as owner is entitled before enactment of the By-Law aforesaid, to make representations to the Council of the County of Parkland No. 31 and set forth his reasons why the land should not be expropriated.

AND FURTHER TAKE NOTICE that the amount of compensation for the land and severance, if agreement cannot be reached between the owner and the County of Parkland No. 31 will be ascertained and fixed by the Public Utilities Board for the Province of Alberta at a future date.

DATED at the Town of Stony Plain in the Province of Alberta this 24th day of September, A.D. 1970.

O. W. SCHUSTER,
Secretary-Treasurer,
County of Parkland No. 31

LIBRARY NEWS

Many new books have arrived for the Easy and Juvenile sections of your library. When a child has reached High School he is permitted to borrow anything in the library. Until then Junior High students may borrow adult books if the library has been supplied with a "consent card" signed by a parent or guardian. (Forms are available at the desk.)

Following are some new titles for consideration by children grades one to eight "The Day of the Pigeons" by Ron Brown tells what happens to Mr. Poirot's pigeons when they are accidentally drugged by Bruce Roper's little brother.

In "The White Peril" by Cliff Faulkner the story of Eagle Child and the Blackfoot people is continued.

Elizabeth Coatsworth's "The Golden Horseshoe" is a story of high adventure in the days when colonial Virginia was young.

Don't miss "His Enemy, His Friend" by John Tunis which begins when the Germans were occupying a village on the Normandy coast and ends twenty years later in a soccer game when French and German teams meet in a championship game.

For the little people we have "The Fence", a tale of Mexico.

"The Jungle", "Alexander and the Wind Up Mouse", "Little Black, a Pony", "Inside Outside Upside Down", "The Little Wooden Farmer", "Colors", "The Hedgehog and the Hare", and many others.

Library hours are Tuesday and Friday 3:00 to 5:00 p.m. and 7:00 to 9:00 p.m., also noon on Tuesday for bus children.

We wish to thank Mr. Smith, editor of The Western Review, for the fine coverage he gave our Arts and Crafts Lending Library.

HEN PHEASANT SEASON

This fall an experimental full length season on hen pheasants is to be held in the Scandia-Rainier area to help in the future planning of more general hen pheasant seasons in the province.

Past seasons on hens during weekends in the Scandia area have shown that hunters took less than 30% of the hens, well below the normal average annual loss of 75%.

A daily permit is required to hunt and shoot hen pheasants. The free permits are available at any of the six check points entering the area on weekends and at the junction of the Rainier road and Highway 36 on week days.

OIL AND GAS CONSERVATION BOARD

Application No. 5254

NOTICE OF HEARING

MINNEHIK-BUCK LAKE FIELD

TAKE NOTICE that examiners appointed by the Oil and Gas Conservation Board will hold a public hearing at the offices of the Board, 603-6th Avenue S.W., Calgary Alberta, on Tuesday, October 20, 1970, at the hour of 1:30 p.m. for the purpose of hearing representations respecting an application by Canadian Delhi Oil Ltd. for approval of an expanded scheme for the processing of gas in the Minnehi-Buck Lake Plant. The daily capacity of the plant, located in Section 5, Township 46, Range 6, West of the 5th Meridian, would be increased from 69.8 million cubic feet of raw gas to 108.3 million cubic feet of raw gas. The resulting production would be 100 million cubic feet per day of marketable gas, 1,652 barrels per day of pentanes plus and 32.4 long tons per day of sulphur. The sulphur not recovered would be emitted as sulphur dioxide to the atmosphere through a 110-foot incinerator stack. A maximum of 2.82 long tons per day of sulphur would be emitted to the atmosphere upon completion of the expansion.

Copies of the application and information and particulars filed in support thereof may be obtained by interested persons from Canadian Delhi Oil Ltd., 28th Floor, Calgary Place No. 1, 380 - 5th Avenue S.W., Calgary 1, Alberta.

Any person intending to make a submission with respect to this application shall file, on or before October 15, 1970, seven copies of the submission with the Board at its above address and two copies of the submission with Canadian Delhi Oil Ltd. at its above address.

DATED at the City of Calgary, in the Province of Alberta, this 1st day of October, A.D. 1970.

The popularity of astrology is not being overlooked this year by the Dominion Fire Prevention Publicity Committee that prepared the Fire Horoscope in support of Fire Prevention Week, October 4th to 10th.

LIBRA -- The scale in the Sign symbolizes the fine balance between safety and disaster, in the sharing of fire responsibility. For example, cleaning out the accumulation of summer rubbish.

SCORPIO -- The pain of the sting of the Scorpion is proverbial. For those born under this Sign, smoking in bed is particularly dangerous, threatening the safety of others.

SAGITTARIUS -- The archer personifies those who cope with hidden fire dangers. For such persons cleaning the furnace and the flues is a must.

CAPRICORN -- The goat tells people born under the Sign are foolish if they allow the

Christmas tree to dry out, becoming an explosive fire hazard.

AQUARIUS -- The water-bearer warns persons born under this Sign that water is useless for a stove grease flare-up. Use a pot lid to smother the flame.

PISCES -- The fishes look forward and backward, constantly alert. They remind those born under this Sign to be on the look-out for new fire dangers. For example, the lint in the modern dryer.

ARIES -- The ram in the Sign warns those with the ambition to paint a house to remember that paint thinners are a fire hazard. Flammable liquids must be kept outside the home.

TAURUS -- The bull in the Sign personifies those devoted to Spring clean-up. Discard the clutter of deadwood. For example, spontaneous combustion of oily rags is common fire hazard.

GEMINI -- The twins in the Sign of Gemini represent Mr. Safe and Mr. Sorry in a common vacation disaster. Mr. Safe is jumping into the water to save his own life. Mr. Sorry has been smoking while re-fueling.

CANCER -- The crab goes into its shell when disturbed. The crab in the Sign symbolizes home and security. The Sign is a reminder of family tragedy caused by careless use of the barbecue starter.

LEO -- The lion in the Sign represents power. It is the task of those born under the Sign to guard against improper fusing and fraying wiring. In a household circuit, use only a 15-ampere fuse.

VIRGO -- The maiden in the Sign of Virgo represents the baby sitter. She should know that matches and children are a sure fire combination. Matches must be kept out of the reach of tiny finger.

Mothers Prepare For Annual Sale

The Cub and Scout Mother's Auxiliary held their first meeting of the season last week, with a grand total of seven mothers in attendance, two of which were executives. Our Secretary-Treasurer had a fire in her home the morning of our meeting, and Laura, we hope your home will soon be restored.

It certainly is a shame that so few mothers are interested in what their boys are doing. A lot of mother's didn't turn out for the meeting because we were having elections that day.

Our executives are all old faces to the organization. They are: President, Phyllis Morrill, and Reta Kenworthy is back as our Vice-President, Laura Barker is our Secretary-Treasurer for the third year in a row. Eldora Kowal is in her second year as Membership Chairman.

Each mother having a boy in Cubs or Scouts automatically becomes a member of the Cub and Scout Mother's Auxiliary. The membership fee is only \$1.00 per year, which you may pay to our Secretary-Treasurer the day of our Bake Sale.

The Bake Sale and Skate Exchange will be held on October 17th, as October 10th is the long weekend. We certainly would be grateful for any volunteer help for that day. Anyone wishing to donate a few hours of their time,

please phone Phyllis Morrill at 542-4239 or Reta Kenworthy at 542-4120.

For the Bake Sale each mother is asked to donate two items of baking and have them at the Scout Hall by 12:00 noon the day of the sale. Please have your skates and sporting items at the hall between the hours of 10:00 a.m. and 12:00 noon for pricing and sorting. The Bake Sale starts at 1:00 o'clock on October 17th.

Applications for School Bus Operation

The School Committee of the County of Parkland No. 31 invites applications for supplying and operating a 54 passenger school bus to convey pupils to the schools in Spruce Grove. The proposed route is to the south and east of Spruce Grove involving about 50 miles per day or less and will pay about \$27.00 per day. The School Committee reserves the right to make minor changes in the route at any time.

Applicants must have a Class "A" Alberta Operator's license and must possess a reputable character and a good driving record. The successful applicant must obtain an "A Plus" license before commencing operations. The School Bus must meet all Highway Traffic Board specifications.

Applications, together with names of at least 2 reliable references and a copy of an abstract of driving record, should be submitted to the County Office in Stony Plain not later than 2:00 p.m. on Friday, October 9th, 1970. The School Committee reserves the right to accept or reject any application.
